

The Progression Module

A structured off-the-shelf HE and employment preparation programme for sixth form students.

Benefits of the Module

- ✓ Assist students with research, decision-making and applications to university or employment.
- ✓ Flexible delivery methods to suit your specific needs.
- ✓ Can deliver 50+ Guided Learning Hours to create a full-time study programme.
- ✓ Skills development including research, self-reflection, interview skills and presentation skills.
- ✓ Formal recognition for students' work.
(12 UCAS points recognised by the University of Huddersfield, Leeds Beckett University and Leeds Trinity University)
- ✓ Guaranteed interviews, auditions or offers to students who have passed and meet the published academic and non-academic entry requirements.
- ✓ Workshops to enhance the Module.
- ✓ Transport costs paid for school/college groups to on-campus visits.
- ✓ Ongoing CPD opportunities for tutors delivering the scheme.
