**My first week checklist:**

Get to know your new home
We have organised tours of the campus and the local Huddersfield area to help you find your way around.

Buying groceries
You can find most of what you need from big supermarkets like Tesco, Sainsbury’s and Morrisons.

It could be cheaper to buy meat, fruit and vegetables from the markets and smaller shops in the town centre.

Eating out
There are lots of places to eat and drink around Huddersfield to suit your budget. Find out where students recommend on our website: www.hud.ac.uk/uni-life/explore-hud/

Make yourself at home
Buy your kitchen and bedroom essentials from shops like Wilkos, which sell everything you need for your new home at a budget-friendly price.

Make friends!
If you have travelled to the UK alone, it can be scary to go out and make new friends. Introduce yourself to your new neighbours, attend our welcome events and join the SU/International Student Societies.

Have fun!

Top safety tips for evening events

We recommend you take a taxi back to your accommodation. If you are walking back through the town centre, it is always best to walk with a group of friends and to stay in well-lit areas.

The Students’ Union recommend A1 Taxis. You can book a taxi by calling 01484 541111 or download their mobile app.

If you are drinking alcohol, be sensible with how much you drink and look out for your friends. Eat before you go out, drink water throughout the night and keep your drink close to you.

Be safe on and off campus

During your time at Huddersfield, it’s really important that you feel safe and secure, both on and off campus. That’s why we have a dedicated security team, including an on-site police officer, who work hard to ensure it’s a safe place to study, work and socialise.

The Security Hub is located at main reception in the Harold Wilson Building, operates 24 hours a day, 365 days a year and is always open and available to students and staff. Main responsibilities include:

- Monitoring CCTV and regular patrolling, to maintain a security presence on campus
- Out of hours access to students and visitors
- Point of contact relating to security on campus e.g. suspicious activity, lost/found property etc.

If you have any concerns, you can contact the Security Hub on 01484 472220 (Ext. 2220).

Laura Jackson, Safer Student Police Officer

Laura works hard to keep students and staff safe by offering crime prevention advice and safety tips. This can be on a one-to-one basis or in groups. She also supports any organised events which would benefit from a police presence.

“It doesn’t matter how small, or how big your concerns are, I am here to help. If you spot anything suspicious or feel you need the advice of a police officer I’d like to hear from you”.

Laura works Monday to Friday, 8am – 4pm and her office is in the Atrium, level 4, Schwann Building. L.Jackson@hud.ac.uk / 01484 472125 / 07939 466979.

Maggie Birkinshaw, Security Services Manager

Maggie has over 30 years’ experience working as a serving officer with the West Yorkshire Police force. She knows that feeling safe and secure on campus is really important to both students and staff.

“I’m always keen to receive ideas about how we can improve security on campus, as well as to receive feedback on any security related concern staff or students may have”.

“Huddersfield is a great place to study and it’s also a safe and vibrant place live and we’re all here to assist you in enjoying your time with us. If you see me walking around campus don’t hesitate to stop me to say hi, always happy to chat and discuss anything that’s concerning you”.

You can contact Maggie on 01484 472632 or at M.Birkinshaw@hud.ac.uk
