My first week checklist:

- Get to know your new home
  We have organised tours of the campus to help you find your way around.

- Buying groceries
  You can find most of what you need from big supermarkets like Tesco, Sainsbury’s and Morrisons. It could be cheaper to buy meat, fruit and vegetables from the markets and smaller shops in the town centre.

- Eating out
  There are lots of places to eat and drink around Huddersfield to suit your budget. Find out where students recommend on our website: hud.ac.uk/uni-life/explore-hud/

- Make yourself at home
  Buy your kitchen and bedroom essentials from shops like Wilkos, which sells everything you need for your new home at budget-friendly prices.

- Make friends!
  There are lots of opportunities on campus to meet new people. Introduce yourself to your neighbours, and join the student societies.

Have fun!
