What is Extra?

Available between February – July

Extra is another chance for you to gain a place at university or college, if you're not holding an offer, you'll be able to add another choice

You may not have received any offers of places or you may have declined them

What is Clearing?

Available between July – October

Clearing is how universities and colleges fill any places they still have.

You find courses that interest you, and contact universities or colleges directly, to see if they will offer you a place.

You will be eligible for clearing if:

- You're applying after 30 June
- You didn't receive any offers (or none you wanted to accept)
- You didn't meet the conditions of your offers
- You've declined your firm place

Clearing Tips

- Don't panic – there are still excellent choices available if you are flexible and quick off the mark
- Be prepared to talk about the course and why you want to study it
