Supporting success
AT THE
University of Huddersfield
Finding a study space

Information
for families
and friends
A good study space is essential for students, and there are lots of options:

- Study spaces are available on campus 24/7
- The Library offers many study spaces; quiet spaces are on every floor
- There is a computer availability screen at the Library entrance
- Each school has its own student computer rooms
- On and off campus laptops are available from the Library
- Students may prefer to use a local cafe, a space at home or the Students’ Union
- Students can access other university libraries through the SCONUL Access Scheme
- Students can use Eduroam to get wifi at many other universities and public buildings throughout the UK.

Did you know?
A full time student should study for at least 35 hours per week
